

# APICS MEMBER BENEFITS 2010

## APICS Membership: Working for You

APICS membership provides you with a wide array of timely news, proven practices, essential resources, and expert connections to help you excel in your operations or supply chain management career.

Make the most of your APICS membership. Get involved with your local chapter or APICS International Associate, attend educational events, read APICS publications, and visit [apics.org/membership](http://apics.org/membership) for complete access.

## APICS International Conference & Expo

Every year, the APICS International Conference & Expo is the educational and networking event of choice for thousands of operations and supply chain management professionals. Attendees share knowledge, best practices, and learn the latest trends and techniques to improve their job performance. APICS members save up to \$600 on registration. Learn more at [apicsconference.org](http://apicsconference.org).

## APICS Operations Management Body of Knowledge (OMBOK) Framework

Gain access to the body of knowledge that defines your operations management work. Understand the language, best practices, and techniques that help you succeed. APICS members receive a free electronic copy of the *APICS OMBOK Framework*. Learn more at [apics.org/ombok](http://apics.org/ombok).

## APICS Dictionary, 12th edition

The *APICS Dictionary* is the standard for terms and definitions in the inventory and supply chain management field. The 12th edition contains more than 4,000 essential terms, 500 of which are new. Members may request a free copy at [apics.org/freedictionary](http://apics.org/freedictionary) or contact APICS Customer Support as indicated below.

## Supply Chain Council SCORmark Benchmarking Access

SCC is the world's leading authority on supply chain methodology, diagnostics, and benchmarking based on the SCOR® standard. Its product offerings are a complement to APICS education and certification programs. APICS members worldwide receive

- Member rates on SCC training classes and the SCOR Professional Certification.
- Access to the acclaimed SCORmark benchmarking program. SCORmark benchmarks an organization's supply chain based on SCOR metrics and enables users to measure how it rates in relation to other organizations.
- Member pricing at SCC events.

Take advantage of this exciting new member benefit by visiting [apics.org/scc](http://apics.org/scc).

## Enhanced! APICS Magazine

Newly redesigned, *APICS* magazine is an award-winning publication and resource for the operations and supply chain management professions that features a new department, "Ask APICS," an updated design, and reorganized departments and content. Don't miss out on the real-world case studies, best practices, and industry information in the newly redesigned *APICS* magazine.

Watch your mailbox for print issues and read *APICS* magazine online at [apics.org/resources/magazine](http://apics.org/resources/magazine).

**Questions about your member benefits?** Contact APICS Customer Support at (800) 444-2742 or +1 (773) 867-1777 Monday-Friday, 8:00 a.m. to 5:00 p.m. CT or e-mail [service@apics.org](mailto:service@apics.org).

Sign up or receive more information on these membership options by visiting [apics.org/membership](http://apics.org/membership) or call APICS Customer Support at (800) 444-2742 or +1 (773) 867-1777.

### Aberdeen Research

APICS members have two years access to the Aberdeen Vault Research Library that contains more than 5,000 documents focused on the global value chain. Research channels include current, relevant information on supply chain, manufacturing, information technology, and product research and development. Find out more at [apics.org/benefits](http://apics.org/benefits).

### Member Savings

APICS membership makes participating in educational events and earning your APICS certification easier and more affordable through member savings. APICS members save up to 25 percent on APICS educational events, certification review courses, testing fees, and various other training aids.

### Updated! APICS Career Center

Fill a position or find a job at the APICS Career Center—the online career destination for operations and supply chain management professionals. View relevant publications on topics such as interviewing techniques, résumé and cover letter writing, and career development. Only members may post their résumés for review by potential employers and subscribe to the job alert service. Members also receive discounts on job posting packages. Members have full access to the online APICS Career Center at [apicscareercenter.org](http://apicscareercenter.org).

### Updated! APICS Webinars

APICS Webinars provide convenient, online educational opportunities for members. More topics and expanded offerings are available. APICS also presents webinars for volunteers and chapter leaders. A number of APICS Webinars are available on demand at member savings and free of charge at [apics.org/webinars](http://apics.org/webinars).

### APICS Learning Communities

Connect and collaborate with your peers through the APICS global network. APICS Learning Communities are online forums where members can gather regularly to share ideas, develop best practices, and find solutions to everyday challenges in operations management. Visit APICS Learning Communities at [apics.org/communities](http://apics.org/communities).

### APICS Production and Inventory Management (P&IM) Journal

The *Production and Inventory Management Journal* enables business leaders, students, and academicians to better understand the ever-changing and complex interrelationships of designing, and operating processes in manufacturing and service-oriented enterprises in today's global marketplace. For additional information, visit [apics.org/pimj](http://apics.org/pimj).

### APICS Web Site

APICS members can access exclusive, members-only content on the APICS Web site. Members can browse the site to research pressing issues using the searchable Publications Database; stay abreast of industry terms and definitions with the online *APICS Dictionary*; obtain white papers; and find free APICS Webinars On-Demand on operations management topics and other valuable industry information.

### APICS and IBF Best of the Best Sales and Operations Planning Conference

Each year, APICS and IBF jointly present the Best of the Best Sales and Operations Planning (S&OP) Conference. Delve into best practices and techniques essential to more informed decision making, improved cross-functional communication, and more efficient processes to keep supply and demand in balance in your organization. Register at [apics.org](http://apics.org).

Access your benefits at [apics.org](http://apics.org).
