

RESEARCH VAULT

Turn to Aberdeen for Research with Results.™

ABERDEEN RESEARCH VAULT MEMBERSHIPS

Learn How Best-in-Class Companies Stay Ahead — and How You Can Achieve Similar Results

Aberdeen research helps you answer two key questions for success: What are Best-in-Class companies and market leaders doing to maintain a competitive advantage, and how can you achieve similar results?

A Research VAULT Membership, available on an annual, subscription basis, gives you 24x7 access to Aberdeen Group's Research Library. This library is the repository for thousands of documents covering hundreds of topics and solution categories.

The Aberdeen Research Library includes:

- Benchmark and Best Practices Reports
- Research Alerts
- Research Briefs
- Analyst Insights
- Sector Insights
- Research Previews
- Market Alerts

Aberdeen Research spans a wide area of coverage, including:

- Business Intelligence
- IT Security
- Communications
- Manufacturing
- Customer Management
- Product Innovation and Engineering
- Enterprise Applications
- Retail
- Global Supply Management
- Service Management
- GRC/Financial Management
- Storage and Virtualization
- Human Capital Management
- Supply Chain Management
- Information Technology Infrastructure

Program Benefits

- **Log on 24x7** for access to actionable information.
- **Enhance** professional development by learning what it takes to achieve Best-in-Class performance.
- **Target** sector-specific research (such as mid-market, Asia-Pac, and SMB).
- **Take advantage** of Aberdeen research to help set strategy and to make a business case for new technology and innovation.
